

Welcome to the inaugural season of Broadway at the Steven Tanger Center for the Performing Arts! We are excited to invite you inside the doors of the Tanger Center to experience the Triad's new state-of-the-art performing arts center with national theatrical productions direct-from-New York. All six Broadway shows in the 2020-21 Season are Triad premieres, which are sure to make memories of live theatre through laughter, tears and magic for years to come.

Thank you for choosing to be a part of Tanger Center history as we embark on this epic journey and raise the curtain on Broadway's newest home!

THANK YOU

The development of the Steven Tanger Center for the Performing Arts could not have happened without the support of the Triad community. From our patrons, Season Seat Members, donors, political leaders, media and more, we thank you.

The City of Greensboro and the Greensboro Community Foundation joined forces after a community task force recommended a new performing arts center. For a complete list of donors, visit TangerCenter.com/donor-roll.
